

Walford Neighbourhood Development Plan

Call for Sites

Walford Neighbourhood Development Plan (NDP) Group, on behalf of Walford Parish Council, is looking at the potential availability of land for a range of uses across the parish up to 2031. This process is being undertaken as part of the evidence base to support the preparation of the Walford NDP. This is an opportunity for landowners and developers to propose sites within Walford Parish for development. If you want a site(s) to be considered, we would like you to complete our Site Submission Form for each site.

Completing a form will not in itself lead to a site being allocated for development by the NDP, nor will it commit the proposer(s) to applying for planning consent. All sites submitted will be independently assessed to see if they meet a set of criteria, and could be suitable for development. Consultation with residents is a vital part of this process, and will take place to help us with the Plan.

Sites submitted will be in the public domain and the information submitted will not be treated as confidential.

The Site Submission Form is available to download on the Walford Parish Council website – www.walford-pc.org.uk – or email the Chairman of the NDP Group, Will Warburg, at will@handwell.co.uk, or ring or text 07889 366388 to be sent a form.

Please return completed forms no later than Friday, 1st September 2017.
