Kerne Bridge Canoe Launch

Preferred development partner

Expressions of interest invited

Walford Parish Council has recently taken ownership of the Kerne Bridge Canoe launch site. The launch facilities are rated as some of the best on the River Wye.

It is our intention to enhance these facilities and the way they are managed and operate in order to provide the best possible visitor experience.

One way to do this is to engage with a preferred development partner who will wish to invest in the facilities and work with the Parish Council in order to achieve the most satisfactory outcome and share in the success of the venture.

We are therefore inviting expressions of interest in working with us. Once these responses have been received we will invite the interested parties to provide us with their vision for the site. Following this a shortlist of candidates will be invited to present their ideas to a meeting of Councillors and the preferred development partner will be chosen.
